## SHRULE COMMUNITY CENTRE NEWS

### Launch of the First Ever Shrule Duck Race

The **first every DUCK RACE** will be launched in Shrule on Black River at the **Family Fun Day on the 30th September 2018**. It is hoped that over 400 ducks will be in the race!!!

First prize is an **astounding €200**; **second prize is €100** and **3<sup>rd</sup>/4<sup>th</sup> prize is €50**. But wait! There is more! There will be a **prize for the last duck** and also **spot prizes for ducks randomly picked** after first to fourth prizes are known. **Each duck costs €5**,

and remember the more ducks you enter, the greater chance you have of winning!!

**How to Buy?** It simple as simple as purchasing a line on a card! Each line will have a number with will then be the number of your duck. In the coming weeks, you will be able to purchase your lines for ducks:

1. Post Office
2. Mullins' Shop
3. Gibbons'/Cradock's'/Highway Bars
4. Weekend Masses in Shrule
5. via schools

**Shrule Community Centre Family Fun Day:** A family fun day will be held at Shrule Community Centre on the 30<sup>th</sup> September, and we are looking for your help:

1. There are 4 areas that need names – the main hall & 3 meeting rooms. If you would like to become part of history, a **naming competition** is be held with the winners been announced on the day. There is a **prize of €50 for each room** for the winner & name that is picked. This competition is open to all but fair warning; the local schools are involved so competition will be stiff! If more than one person enters the same, the names will be put into a hat to pick the lucky winner.

2. Volunteers to help on the day and before hand with set up etc – please contact any committee member Fr Vivian, Aidan Foley (Chair), Colette Hughes (secretary) Ronan Walsh (treasury), Marie O Malley (PR) James O Dowd (GAA representative) or email [shrulecommunitycentre@gmail.com](mailto:shrulecommunitycentre@gmail.com)

3. Volunteers in helping with set up, on the day & raffle, please contact any of the above.

The open day is an ideal opportunity to learn more about what takes place in the community. There will be activities for the kids from bouncy castle to face painting, along with a chance of winning some top prizes in a raffle, an opportunity to meet the new committee, find out what is already taking place in the center, sign up for proposed upcoming activities - and be there for the First Ever Duck Race! Mark the date in your calendar!

**BORD NA N-ÓG UPDATE: Brian Joyce (13.09.18)**

Our U13s and U11s were both in action last Monday. The U11s defeated Claremorris away in a thriller on a scoreline of 3-11 to 3-7. Our U13s were not so fortunate in losing to a very strong Castlebar Mitchells side but they did give a very good account of themselves. We are delighted to be welcoming Mayo star, Kevin McLaughlin, to our club this Sunday evening, September 16<sup>th</sup> @ 5.30pm in Shrule Community Centre, to present medals to all our Go Games (U6, U8, U10 & U12) players who represented our club this season. All are welcome to this event to support our young footballers. Tea and biscuits will be provided. And...if that is not enough, it is with great pride that we accepted an invitation from Connacht GAA for our U12 team to represent the club at Connacht Go Games day in Croke Park next weekend. Best of luck to our players in what will be a memorable occasion. Keep up to date with all club fixtures, results and club news on [www.shruleglencorribGAA.com](http://www.shruleglencorribGAA.com) and please support our teams.

## JUST A THOUGHT:

Two weeks ago we had the Pope at Mass in the Phoenix Park saying "Sorry" on behalf of the church to those people who were abused or wronged by either individual members of the church or by the institution itself. Earlier this week we have Mary Lou McDonald of Sinn Fein making an apology to Maria Cahill and others hurt or let down by individual Sinn Fein members or by the organisation itself. As I write this I read of apology from the HSE to those let down in relation to Cervical Cancer tests etc. Next week it will be some other group. When we do wrong, its right to sincerely apologise and put right the wrong if possible. The recognition that I have been wronged is helpful in the healing process. The establishment of the Truth and Reconciliation Commission in South Africa is credited with greatly assisting in the establishment of a proper democracy in that country for example. A wrong needs to be recognised. Sometimes it is not possible to right a wrong.

On the flip side of the "Apology coin" is the concept of "Forgiveness" - easy to talk about, often very hard to do. Yet for healing to happen "Forgiveness" is essential. We must remember that forgiveness is not a Feeling, it is a "Decision" - "I want to forgive". There comes a stage when it is time to let go of past wrongs and get on with Living the Life we have as best and as full as possible. The prayer "Lord, Help me to ACCEPT the Things I cannot Change, To CHANGE the things I can, and the WISDOM to know the Difference" is very true. As my Granny used to say - "The Past is over - there is no Future in it! Who ever said life was fair? "Jesus himself had a lot of trouble in this life and ended up being executed! We need to learn from the past and get on with life where we are at. Life is tough enough without having to carry past hurts as well. The First Step in Getting somewhere, is to decide you are not going to stay where you are. Have a good week

*Fr. G Jennings, Salthill*

**TOWARDS PEACE** is a service offering spiritual support to people who have experienced physical, emotional, sexual and/or spiritual abuse, perpetrated by Church personnel, individually or institutionally. Funded by the Irish Bishop's Conference and the Association of Missionary and Religious in Ireland, the vision of **Towards Peace** is to provide a safe supportive space for people and their families, whose spiritual life has been damaged by abuse. It is also a response to the continually growing understanding of the spiritual impact of the trauma of abuse. Through spiritual accompaniment with a trained spiritual director, **Towards Peace** endeavours to accompany people as they seek their own experience of spiritual peace one step at a time. The role of the spiritual companion is to journey with each person on their own unique and very personal pathway. There is no predetermined roadmap on this journey. ### **JUST A THOUGHT:**

One of the richest and most powerful men in Brazil, Thane Chiquinho Scarpa, made waves when he announced plans to bury his million-dollar Bentley, so he could drive around his afterlife in style. He received lots of media attention, mostly negative and was severely criticized for the extravagant gesture and wasting of a precious commodity.

Why wouldn't he donate the car to charity? How out of touch with reality is this guy? He still went ahead with the ceremony. But, there's a twist. Moments before lowering the car in the ground prepared for the burial of his Bentley, he declared that he wouldn't bury his car and then revealed his genuine motive for the drama: Just to create awareness for organ donation. "People condemn me because I wanted to bury a million dollar Bentley,

in fact most people bury something a lot more valuable than my car," Scarpa said during a speech at the ceremony. "They bury hearts, livers, lungs, eyes, kidneys. This is absurd. So many people waiting for a transplant and you bury your healthy organs that could save so many lives!" A clever way to raise awareness around an important topic!

**THE ANNUAL GALWAY CITY CAMINO** will take place on **Sat next 22<sup>nd</sup> Sept.** Pilgrims can register on the day at Galway Cathedral from 12-noon onwards. Registered pilgrims will receive a Camino passport and begin their walking circuit of seven holy sites in Galway City. The Camino passport will be stamped at each site. The walk takes about two hours and pilgrims return to the Cathedral with their stamped passport to receive a Certificate of Completion.
